

**Calling All Complementary Therapy Practitioners: Volunteers Needed**  
**Deadline: Friday, March 15, 2019**

**2019 HOSPICE PALLIATIVE CARE ONTARIO CONFERENCE: QUALITY IN ACTION**  
**COMPLEMENTARY THERAPY 'TASTER' SESSIONS**  
**SUNDAY, APRIL 28 & MONDAY, APRIL 29, 2019**

This is the 8th year that HPCO conference delegates have been participating in 15-minute Complementary Therapy "Taster" sessions, and sampling various complementary therapies.

This popular perk provides delegates with increased awareness regarding various complementary therapies and an appreciation for the role of the complementary therapies in the hospice palliative care setting.

Please share this call for volunteer complementary therapy practitioners with your colleagues and volunteers who practice Seated Relaxation Massage, Reflexology, Therapeutic Touch®, Reiki, Indian Head Massage, Simple Aroma Hand or Foot Massage or other therapies.

**COMPLEMENTARY THERAPY VOLUNTEER REQUIREMENTS**

- A practitioner of one (or more) of the listed modalities
- Practicing professionally, or regularly as a volunteer (not just with family, friends or occasionally)
- Agree not to use any fragranced products on yourself when volunteering

**TIME COMMITMENT**

**Sunday, April 28 or Monday, April 29, or both days.**

- Sunday: 11:00 - 5:00 pm - Work one or two x 2-hour session
- Monday: 8:30 - 4:30 pm - Work two x 2-hour sessions
- Arrive 15 minutes before your 2-hour session starts, and provide 15 minute "taster sessions" in a shared room, three 15-min taster sessions/hour with 5-minute break between
- Be a team player

**BENEFITS**

- Network with other complementary therapy practitioners and palliative care professionals
- Attend workshops, lectures and Trade Show Exhibits when not providing 'taster' sessions
- Breakfast, refreshments and lunch are provided
- Free parking
- Work as a team and have fun!
