

Dr. Robert Sauls served as provincial physician lead for the Ontario Palliative Care Network and physician lead for the development of the Ontario Palliative Care Health Services Delivery Framework (2019). He practiced as a family physician in Mississauga, Ontario for 20 years and as a palliative physician for 25 years. He led the development of the palliative care program at the Credit Valley Hospital and the Carlo Fidani Peel Regional Cancer Centre. He has participated in both regional and provincial leadership roles throughout his career and led palliative care education programs in the Mississauga Halton region for many years.
